

SEEKING male tenant

CURRENT VACANCY

for NDIS participant with approved funding

About the home

4-bedroom Supported Independent Living vacancy with 7-day overnight support is now available.

The residence is fully furnished (except for the participant's bedroom), and includes laundry facilities, a large garage, Wi-Fi, heating, and air conditioning. The property also features a backyard with an alfresco area and outdoor seating.

The property is just a 2-minute walk from a park with playgrounds, barbecues and basketball courts, and a 5-minute drive from Aura shopping village.

The two male residents share an interest in electronics and gaming. They are both in their early 20s, polite, and encourage each other in their learning journey
